Mr. Sinclair,

As Mr. Dietert noted in his email below, you were required to either produce the Affidavit by June 26, 2024, or file a motion for an extension. You violated the Court's order by doing neither. Even if you had moved for an extension and the Court had granted it, the deadline would have been July 6th.

The Affidavit the Court ordered you to provide is long overdue. We request that you produce it immediately.

Mr. Sinclair,

The Court has ordered you to provide the affidavit by June 26. If you need additional time, you may submit a request to the Court and may state that the United States does not oppose your request for a 12-day extension to this deadline.

Thank you,

Plaintiff,

I will need additional 12 days to submit this response at the time of the conference I had forgotten that my computer data was wiped out so this requires more time to collect information.

If necessary I will write a letter to the court.

Respectfully

Andrew Sinclair.
